

HELP WANTED!!!

Dear Parent/Guardian:

BMX @ Shoreham is operated and maintained by volunteers. It is only by everyone lending a helping hand that a practice and/or race day is run.

If there is any way you can help out in any of the following areas, we would certainly appreciate it. We'll be very happy to give you training in any of the official positions needed to run a race. Just stop in at the registration building and let us know.

On behalf of all the riders at Shoreham, thanks for becoming a volunteer.
